## Court Review Author Submission Guidelines

*Court Review*, the quarterly journal of the American Judges Association, invites the submission of unsolicited, original articles, essays, and book reviews. *Court Review* seeks to provide practical, useful information to the working judges of the United States and Canada. In each issue, we hope to provide information that will be of use to judges in their everyday work, whether in highlighting new procedures or methods of trial, court, or case management, providing substantive information regarding an area of law likely to be encountered by many judges, or by providing background information (such as psychology or other social science research) that can be used by judges in their work.

*Court Review* is received by the 2,000 members of the American Judges Association (AJA), as well as many law libraries. About 40 percent of the members of the AJA are general-jurisdiction, state trial judges. Another 40 percent are limited-jurisdiction judges, including municipal court and other specialized court judges. The remainder include federal trial judges, state and federal appellate judges, and administrative-law judges.

**Articles:** Articles should be submitted in double-spaced text with footnotes in Microsoft Word format. The suggested article length for *Court Review* is between 18 and 36 pages of double-spaced text (including the footnotes). Footnotes should conform to the current edition of *The Bluebook: A Uniform System of Citation*. Articles should be of a quality consistent with better state-bar-association law journals and/or other law reviews.

**Essays:** Essays should be submitted in the same format as articles. Suggested length is between 6 and 12 pages of double-spaced text (including any footnotes).

**Book Reviews:** Book reviews should be submitted in the same format as articles. Suggested length is between 3 and 9 pages of double-spaced text (including any footnotes).

**Pre-commitment:** For previously published authors, we will consider making a tentative publication commitment based upon an article outline. In addition to the outline, a comment about the specific ways in which the submission will be useful to judges and/or advance scholarly discourse on the subject matter would be appreciated. Final acceptance for publication cannot be given until a completed article, essay, or book review has been received and reviewed by the *Court Review* editor or board of editors.

**Editing:** *Court Review* reserves the right to edit all manuscripts.

**Submission:** Submissions may be made either by mail or e-mail. Please send them to *Court Review's* editors: Judge Steve Leben, 301 S.W. 10th Ave., Suite 278, Topeka, Kansas 66612, e-mail address: sleben56@gmail.com; or Professor Eve Brank, Department of Psychology, 334 Burnett Hall, PO Box 880308, Lincoln, NE 68588-0308, e-mail address: ebrank2@unl.edu. Submissions will be acknowledged by mail or e-mail; notice of acceptance or rejection will be sent following review.
